

Procedure for students that need to be excused from
P.E. and or
Special accommodations are needed

For students that have an injury, example (broken arm, leg) and the Physician write and excuse for the injury the following needs to take place to accommodate the student and follow Physician's orders.

- Bring all doctors' notes for injuries to nurse's office for student to be excused from P.E. and/or any special accommodations that are needed.

- If the student has had an illness or is suffering from a reoccurring medical condition, i.e. asthma, and the student needs to be excused from P.E. send an email or note requesting the need to the nurse's office. Students are allowed, with parents note or email to school nurse, to be excused from P.E. for 3 days without a doctor's note. After 3 days student will need doctor's note.

If you have any questions please contact the nurse's office.
